

SISTERHOOD MISSION STATEMENT

“Sisterhood” gatherings are a continuation of the Cornerstone Retreat experience. “Sisterhood” welcomes all alumni who have attended a retreat and would like to continue their spiritual journey with the Sisters of Cornerstone.

Our purpose is simply to:

- *Grow in faith through prayer and scripture*
- *Grow in ‘Soul Matters’ through sharing*
- *Grow in love of self, Sisters and the entire Body of Christ through sharing, listening, support, etc.*

Confidentiality is a must for providing a safe environment for the Sisters of Cornerstone to gather and share their stories of faith, doubt, hope, and hopelessness, trust, betrayal, peace and unrest. Sisters are encouraged to accept each other, be honest, open and vulnerable and to be good listeners. We do not criticize, judge or try to fix each others problems. We do not cure or give advice, we share our own personal experiences, always remembering God is the healer and we are the Body of Christ!

*“Where two or more are gathered,
there am I in the midst of them.”
Matthew 18:20*
